## POLITICS AND POLITICAL DEPARTMENT.

*Stock, the 1926 September 25.*

No. 48 II.—The following Regulations respecting Foreign Orders and Medals, which have been recently revised by Command of His Majesty the KING-IN-AUTHORITY OF INDIA, are published for general information. These Regulations supersede all those Orders in force on the subject.

A.—REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS APPERTAINING TO PERSONS IN THE SERVICE OF THE CROWN.

## Orders.

1. It is the King's wish that no subject of His Majesty in the Service of the Crown shall accept and wear the insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, excepted where—

(a) By Warrant under the Royal Sign-Manual, or

(b) By restricted permission given through the Keeper of His Majesty's Privy Purse.

2. When permission is given by Warrant under the Royal Sign-Manual, the insignia of the Foreign Order may be worn at all times and without any restriction.

When restricted permission is given the insignia may only be worn on the occasions specified in the terms of the letter from the Keeper of His Majesty's Privy Purse carrying the Royal warrant.

3. Full and unrestricted permission by Warrant under the Royal Sign-Manual is notwithstanding the following granted—

## For a Despatch or award—

On an Order to His Majesty's Naval, Military or Air Forces sent to a Foreign Government; on an Officer in His Majesty's Naval, Military or Air Forces attached by His Majesty's Government to a Foreign Navy, Army or Air Force during hostilities; or on any British Official left to the Foreign Government and not in receipt of any instructions from British public funds during the period of such hostilities.

Red Cross and Medals services will only be granted as "valuable" for the purpose of these Regulations when they have been rendered in a war in which the Empire has itself been engaged, and when the Decoration for the wearing of which permission is sought has been acclaimed by an Allied State.

4. Restricted permission is particularly contemplated for Despatches which have been awarded in recognition of personal service in the Head of a Foreign State, and which are therefore of a nature less complimentary than others, but will also be granted for Despatches conferred on other exceptional occasions where in the public interest it is deemed expedient that they should be accepted.

5. Restricted permission will generally be given for Despatches conferred in the following cases, but as indicated in the preceding paragraph, will not necessarily be limited to those cases—

(i) On British Ambassadors or Ministers abroad where the King signs a State visit to the country to which they are accredited;

(ii) A State visit is defined as one at which the King is accompanied by a Minister or High Official in attendance;

(iii) On Members of Despatches of British Legations to Foreign Heads of States;

(iv) On Members of Special Missions when the King is represented as a Foreign Despatch, Visiting, Envoy, or similar mission; or on any Diplomat's Representative when specially accredited as representing His Majesty on such missions.

Restricted permission will not be given to—

(a) British Ambassadors or Ministers abroad when serving;

(b) British Officers attending Foreign Missions;

(c) Naval Officers of British Squadrons visiting Foreign Waters.

5. The Queen of the Head of a Foreign State to receive whom a British subject in the Service of the Crown the insignia of a Order may be notified to His Majesty's Principal Secretary of State by Foreign Affairs either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through the Diplomatic Representative at the Court of St. James.

7. When His Majesty's Principal Secretary of State for Foreign Affairs shall have obtained the King's pleasure to say such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State the Home Department, on order that he may issue a Warrant. If it be a case for the issue of a Warrant defined in Rule 3, to be prepared for the Royal Signature.

Wires with Warrant shall have been signed by the King, a sufficient space shall be inserted in the "Overleaf," showing the service in which the Foreign Order has been conferred.

Persons to whom four such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of six pence.

8. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has addressed it, be registered in the College of Arms. Every such Warrant or endorsement shall contain a clause providing that His Majesty's Royal and prerogative does not entitle the assumption of any style, appellation, name, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Service.

9. A British subject in the Service of the Crown who has received the Royal permission, full or restricted, to accept and wear the Despatches of a Foreign Order will, on application, receive permission to accept and wear the Despatches of a higher class of the same Order.

## Medals.

10. Medals conferred by the Head of Government of a Foreign State for saving or attempting save life at sea or in land may be accepted and worn without His Majesty's special permission.

11. Other Medals, with the exceptions specified below, are subject to the Regulations in the same manner as Orders. Full permission is given by Letter and not by Royal Warrant.

12. In the case of medals for Red Cross services, permission will only be granted as the conditions laid down in Rule 3 above.

13. Applications for the Royal permission to wear Medals, other than Medals for saving life, or conferred by Private Societies or Institutions and Contingent Medals cannot be entertained.

14. The King's unrestricted permission to accept and wear a Foreign War Medal will only be given to (i) Members of His Majesty's Naval, Military or Air Forces if serving with a Foreign Army, Navy or

At Peace with His Majesty's Forces, and (3) Military, Naval or Air Activities or Offices and other ranks and ratings officially attached to Foreign Armies, Navies or Air Forces during hostilities.

15. In exceptional cases, where for special reasons it is deemed expedient that the acceptance of the Medal should not be declined, His Majesty will grant restricted permission. Such case will be judged on their merits, and the circumstances in which the Medal may be worn will be specified in the Letter conveying His Majesty's permission.

#### General.

16. The term "person in the service of the Crown" includes persons in receipt of a salary from Public Funds, or holding a Royal Commission in any part of His Majesty's Dominions, Protectorates, or Possessions.

17. Ladies are subject to the Regulations in all respects in the same manner as men.

#### REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS ALLOWABLE TO PERSONS NOT IN THE SERVICE OF THE CROWN.

##### Orders.

1. It is the King's wish that no subject of His Majesty shall wear the insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:

(a) By Warrant under the Royal Sign-Manual, or

(b) By restricted permission granted through the Keeper of His Majesty's Party Purse.

2. When permission is given by Warrant under the Royal Sign-Manual, the insignia of the Foreign Order may be worn of all sizes and without any restriction.

When restricted permission is given the insignia may only be worn as the occasions specified in the terms of the Order from the Keeper of His Majesty's Party Purse conveying the Royal sanction.

3. The full and unrestricted permission by Warrant under the Royal Sign-Manual is designed to meet cases in which the Despatch has been issued by valuable service rendered to the Head of the State conferring it, or on the State itself. Such service must have been lost of much and substantial value to the Head of the State or State concerned and notwithstanding such British interests; and must have been rendered within the period of five years immediately preceding the notification of the Despatch to His Majesty's Government, as prescribed under Rule 4.

4. Restricted permission is particularly contemplated for Despatches which have been conferred in recognition of personal services to the Head of a Foreign State, and which are therefore of a more or less complimentary character, but will also be granted for Despatches conferred on other exceptional occasions, when in the public interest it is deemed expedient that they should be accepted.

5. Both in the case of full and of restricted permission the matter will be submitted to the King by His Majesty's Principal Secretary of State for Foreign Affairs, who shall be under no obligation to consider applications for permission unless the despatch of the Head of a Foreign State to confer upon a British subject the insignia of an Order is addressed to him before the Order is conferred, either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through the Diplomatic Representative of the latter at the Court of St. James.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have

obtained His Majesty's permission for the person in whose favour it has been made to wear the insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may issue a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a certificate thereof shall be inserted in the "Garter," stating the service for which the Foreign Order has been conferred.

Persons to whom favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of £1.

7. The Warrant signifying His Majesty's permission may, at the request and on the expressus of the person who has obtained it, be registered at the College of Arms. Any such Warrant as aforesaid shall contain a clause providing that His Majesty's Estate and pecuniary dues are excluded the exemption of any right, application, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realm.

8. A British subject who has received the Royal permission, full or restricted, to accept and wear the insignia of a Foreign Order, will, as aforesaid, receive permission to accept the Despatch of a Knight class of the same Order.

9. These Regulations apply only to Orders of Chivalry. Decorations conferred by Private Societies and Decorations of a purely amateur nature, and all Decorations not being Orders of Chivalry, may be accepted without His Majesty's permission, but must not be worn.

Exception is made in the case of a few Foreign Orders, which, though not in strictures Orders of Chivalry, yet are of such a high distinction that, for the purpose of these Regulations, they are to be considered and treated as Orders of Chivalry.

##### Medals.

10. Medals, with the exception specified below, are subject to the Regulations in the same manner as Orders, but permission to wear is given by Letter and not by Royal Warrant. No permission is needed to accept a Foreign Medal if this is not to be worn.

11. Medals for serving or attempting to overthrow or to aid in overthrow on behalf of the Head of Government of a Foreign State may be accepted and worn without His Majesty's special permission.

12. Applications for His Majesty's permission to wear Medals, other than Medals for saving life, conferred by Patriotic Societies as Testimonials and Commemorative Medals cannot be entertained.

[G.O. No. 115, Finance (Cable).]

No. 160.—Clause (e) of paragraph 99-A (4) of the Madras Treasury Manual requires that sub-receivers relating to contract contingent bills should be preferred for a period of three years, while the certificates at the foot of contract contingent bills implies permission to destroy or mutilate sub-receivers which need not, under the rules, be sent either to the audit office or to a controlling officer. It is observed also that the certificate at the foot of non-contract contingent bills corresponds to that at the foot of contract contingent bills. As it is necessary that all sub-receivers, whether relating to contract or non-contract contingent bills, should be preserved for a period of three years, the limitation period in the case of ordinary liabilities, and as sub-receivers can be usefully checked by inspecting officers, the Government consider that there should be no doubt as to the procedure to be followed and are pleased to lay down the following rules for the guidance of all drawing and controlling officers:—

(1) Every sub-receiver, which is not forwarded under the rules either to the audit office or to a controlling office along with bill, is recorded in the office to which the expenditure relates, should be duly "cancelled" by means of a rubber stamp or by an endorsement in red ink across the

oucher, the cancellation being initiated by the officer authorized to draw the contingent bills of the office. The cancellation should be made at the time when the contingent bill, or which the sub-voucher or vouchers are included, is actually signed. If the amount of a sub-voucher exceeds the permanent advance, the cancellation should be made immediately the payment is made and entered in the contingent register.

(2) Sub-vouchers which are submitted to a controlling officer should be duly cancelled by him after check and the cancellation should be attested by the controlling officer at the time of counter-verification.

*Note*.—Sub-vouchers which have to be sent to the audit office should not be cancelled either by the drawing or by the controlling officer, as this duty devolves on the audit office under the Audit rules.

(3) No sub-vouchers may be destroyed until after a lapse of three years.

3. The certificates at the foot of contingent bills will be amply modified. Until the existing stock of forms is exhausted the necessary corrections should be made in manuscript.

BUREAU DEPARTMENT.

POLITICAL.

*Delhi, the 21st December 1914.*

No. 2861-2864.—In accordance with the orders contained in the Resolution of the Government of India in the Home Department, No. 2851-2842, dated the 21st December last, the Governor-General's Council is pleased to issue the following instructions with regard to certificates of identity.

5. Every native of India, who conceives proceeding out of India in foreign stations is strongly urged, before leaving, to furnish himself with an authoritative certificate of identity, on the form appended to this Circular, signed by the head of the district [or a Presidency Town] and in the name of the Government of British India, and by the Political Officer in that of residents of Native States. In the case of students the certificate should be signed by the head of his last school or college and countersigned by the District Officer [in a Presidency Town] and in the town of Bangalore, the Commissioner of Political or Political Officer, as the case may be.

Appeals for assistance by devotional Indians who desire representation out by students who owing to circumstances, are unable to complete their course of education cannot be dealt with satisfactorily unless the parties assume a position to produce evidence of identity. The possession of a certificate of identity will be especially useful to young men of good family, as it may enable the Secretary of State to obtain for them usual and other advantages.

Those who are devlepas, however, of travelling in countries where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition to, a certificate of identity. It should be remembered that its price is entitled to a passport, as of right, on the ground that he is a British subject and the production before authorities outside India of a certificate of identity, unless supplemented by corroborative evidence of responsibility, is not sufficient to ensure that a passport will be issued.

*Form of Certificate of Identity.*

1. Name of applicant \_\_\_\_\_
2. Father's name and caste \_\_\_\_\_
3. Residence \_\_\_\_\_
4. Age of applicant \_\_\_\_\_
5. Name(s) of applicant(s) \_\_\_\_\_
6. Social or pecuniary status of father or (grandfather) \_\_\_\_\_
7. Date at which the deportee or applicant from India \_\_\_\_\_
8. Length of applicant's visit to England (Europe) \_\_\_\_\_

*Secretary of Distress Officer (in a Presidency Town), the Commissioner of Political or Political Officer, or head of school or college.]*

Dated \_\_\_\_\_

\* 1. A. Whether a British subject by birth or by naturalization (not more than 5 years before).

2. The Commissioner of Political or Political Officer should be informed of his/her arrival by him or through his agent.

3. When a certificate is issued by the Consul General in England or elsewhere (not a passport) to that

a foreign country one warning that a passport is valid 180 days from the date of issue is given to the Indian subject. The production of a certificate of identity, therefore, will not suffice to establish the grant of a passport, unless it is accompanied by a certificate of responsible behaviour. The Governor-General or other authority responsible to issue passports in India, certifying that the holder is fit and proper persons to receive a passport.
